**H** eight.....Height => 3000ft

**A**irframe.....Are the flaps etc. as we want them

**S**ecurity.....No loose articles, everything secure!

**E**ngine.....Are the "T's & P's" in the green, set at the power setting we expect (2300rpm).

**L**ocation.....Do we know where we are? Clear of built up areas.

**L**ookout.....Normally done with a 360 turn, nothing to conflict.
